

# Ashville 4<sup>th</sup> of July Advertising / Support

The Ashville 4<sup>th</sup> of July is celebrating 85+ years of providing the residents of Ashville and many visitors with a fantastic multi-day event celebrating our Nation's independence.

The Celebration is sponsored by the Ashville Community Club and is the major fund raiser that allows them to be active in supporting the community with an average of more than \$14,000 a year being donated to various community projects, events and organizations.

Many area businesses have asked how they can become more involved in supporting the celebration so we created various sponsorship opportunities. Each event may have up to two sponsors. All financial support is greatly appreciated regardless of the amount and all donations will be recognized in some way during the event. Questions? Call (740) 248-1313
